

<p>Courtlands Fun Day was on Saturday was very impressive. It is run by their residents association. It was suggested that the KRA should make links with their association to share good practice. John will look into this.</p>	<p>John</p>
<p>SECRETARY'S REPORT: Nothing to report</p>	
<p>SOCIAL SECRETARY'S REPORT:</p> <ul style="list-style-type: none"> • Heaver Castle trip on Saturday went very well. Pat is doing breakdown on subsidies for each trip and this one was less than £100. • Next trip is Bournemouth on 19th August - already sold out. • Hendon Air Museum trip is on 17th September. John offered to try and get the information booklets for the visit. The cost is £10 for members, £12 for non members and £7 for children as there is only a coach cost – no entrance fee. • Shopping Trip is actually on 3rd December and not 2nd as on last minutes. • Thanks for Pat for doing the card and donation to the hospice for the KRA bereavement in last month's minutes. Pat will speak to Louise about reimbursement. 	
<p>TREASURER'S REPORT: In Louise's absence, John reported that the bank account at 23/06/16 was £4359.46 and the membership stood at 684.</p>	
<p>FUNDRAISING SECRETARY'S REPORT: It looks like Jean Menkins is not coming back as Street Rep to lower part of Hillingdon Road. Jo to put advert in newsletter asking for a new rep. Sam still doing other end of Hillingdon so is happy to swap if needed.</p>	<p>Jo</p>
<p>EDITOR'S REPORT: Jo sent information in advance of her absence. Unfortunately, the printers made an error on recent newsletter only printing 12 pages and not the necessary 16. They rushed through another copy with the right number of pages at no extra cost. Apologies to those Street Reps who had already delivered the first copy and had to do second one. Jo had a query from a resident in Appletree Walk who appears not to be getting the newsletters. Pat to get details from Jo and speak to Beryl to investigate.</p>	<p>Pat</p>
<p>PLANNING MANAGER'S REPORT: In Ken's absence, John reported that the retrospective planning application for 58 Fern Way has been refused. The KRA assume they will appeal.</p>	
<p>WEBSITE MANAGER'S REPORT: In advance, Glen stated he had nothing to report.</p>	
<p>STREET REP'S REPORT: Nothing to report.</p>	
<p>ANY OTHER BUSINESS:</p> <ul style="list-style-type: none"> • Derek stated that the speed indication device hoped to be installed on the A405 by the longabout is now not going in. • Tim stated that a resident of Fern Way has asked for yellow lines along the corners. Pat stated that a resident in Ellwood Gardens has also asked for them by the flats. It was agreed that this usually only moves parking problems to another part of the estate and can be quite costly. • There is a big hole in the pavement in Meadow Road near j/w Greenwood Drive. This has already been reported but not dealt with yet. Tim to chase up. • It was also noted that many of the large trees on estate are undermining the pavement/kerbstones. John and Anthony offered to walk round estate noting problematic tree locations and then give details to Derek. 	<p>Tim John/Anthony Derek</p>
