John will speak to the school about both these issues. • Deadline for Lucky House Draw is 14/12/17. 	John
<p>EDITOR'S REPORT: Nothing to report in Jo's absence.</p>	
<p>WEBSITE MANAGER'S REPORT: Website has only had 69 hits in the year and it costs £30 per year to keep the website. The committee discussed the practicalities of keeping the website included costs, content and losing the domain name. There is also the issue of names and addresses in historical newsletter as brought up at last meeting. It was agreed that the website isn't used for promotion and is really a historical document. It was agreed the website should be changed to 'password access' only and this could be using the residents membership number. Glen is going to speak to the person who raised the issue with names and addresses to see if they are happy with this resolution and then look into the possibility of changing the website to password protected.</p>	Glen

<p>ANY OTHER BUSINESS:</p> <ul style="list-style-type: none"> • Tim will continue to look into the problems issues in Aspen Park Drive. All other items raised by Pat have been dealt with. • The KRA has learnt that the money awarded by the PCC to complete a traffic survey on A405/Greenwood Drive is now earmarked to do a survey on the entire road, not just the junction. The KRA are objecting to this as the hard work was done to highlight problems at the junction only.
